

MOMENTS FROM THE MEMOIR

TRUMP
IN THERAPY

A Memoir

Dr. X

I'm a psychiatrist. Call me Dr. X. I'm good, but I never dreamed I'd become the President's therapist.

I practice in Washington, so I have lots of experience with narcissists, but this one was off the charts.

... IS NOT A PSYCHO!

What have I gotten myself into?

IT'S A GUY PEEING ON A WHORE... NO... HE'S GRABBING HER PUSSY!

No matter what I said, he couldn't listen.

THAT "FAMILIAR VOICE" IN YOUR DREAM, CALLING YOU A "LOSER"...

... WAS IT SOMEONE FROM YOUR CHILDHOOD?

I HAD A PERFECT CHILDHOOD! YOU'RE THE LOSER, YOU IDIOT QUACK!

My supervisor tried to get me to lower my expectations.

WHY DO YOU THINK YOU CAN CHANGE HIM?

WHO'S THE NARCISSIST NOW?

Everything depended on my fixing the problem.

I CAN DO WHATEVER I WANT!
